

Saunton, North Devon

A new holiday house designed to replace an existing 1930's timber framed asbestos bungalow in a stunning position overlooking Saunton golf course and Braunton Burrows, with view to Saunton Beach and Hartland Point but on the UK's only known termite site under strict Forestry Commission restrictions.

New five bedroom family holiday house, making the best of the sea views with full basement with gym, games room, bar and utility room, ground floor with bedrooms and kitchen/dining room and 30 ft long, first floor sitting room with vaulted ceiling and a projecting balcony overlooking the view. Finished internally with good quality oak floors, cedar doors and simple plastered walls.
