

Commercial - Conference and Wedding Venues

Castle Hotel, Taunton 112

A four star hotel with Michelin star restaurant, known for its understated, country house comfort. Grade II* listed within a Conservation Area and on a Scheduled Monument. We have been involved in a development programme with the hotel which includes the conversion of existing staff accommodation into 8 no. new en-suite bedrooms and the conversion of a dark, medieval looking pub into modern brasserie/bar: Brazz

Maunsel House, North Newton, Somerset 754

Successful negotiation of planning and listed building consents for the conversion of farm buildings as extensions to wedding/conference venue for additional bedrooms, offices, dining rooms and a new build ancillary storage building.

Pickwell Manor, Braunton 617

Full planning and listed building consent for the internal re-ordering of this grade II listed manor house to form self-contained holiday apartments to work with the wedding operation.

In 2012 we obtained planning and listed building consent for a self contained wood pellet boiler and PV solar panel array within the northern walled garden of the manor.

Bath House, Ilfracombe 785

Grade II listed building forming the entrance to Tunnels Beach being upgraded to hotel/accommodation for weddings including:-

- Renewal and upgrade of slate roofs and rainwater drainage.
- Upgrade basement floor for new bedrooms, bathrooms and service rooms.
- Rationalise and extend ground floor to link with cafe building.
- Installation of all new services.
- Design for new WC's to be located above the beach shop.
